## We are MAGIC - will you join us?

Our newly elected committee met on 7 August. We decided to form a group and call it: **Monmouthshire All-Ability Group for Inclusive Communities**. That's a bit of a mouthful, so we call it **MAGIC** for short. Our tagline is: **'Working for a better future for young people with additional needs'**

The group is open to anyone who wants to join, and the membership fee is a bargain ZERO pounds. You can join by emailing Mike or Gemma using the contact details at the bottom of this newsletter.

We are holding an open meeting on Tuesday 3 September at 7pm in the Beaufort Arms in Raglan, to launch the new group and share the ideas we've had so far. Please come along if you want to support us or find out more.

### Bright New Futures Project

The Bridges Centre in Monmouth has been awarded a BIG Lottery Grant to work with Monmouthshire young people with disabilities who are aged 14-25. This project will be a great way for young people with additional needs to get involved in more community activities. The 4 year project starts this November.
